

Chief Financial Officer . Ian Campbell

Mr. Campbell brings 20 years of retail accounting and finance experience to Brown's Restaurant Group. Prior to joining the company in the fall of 2007 Ian was the Vice President of Accounting and Information Technology for Earl's Restaurants Ltd. – a casual dining chain with over 70 locations and 3 concepts (Earls, Joeys, and Saltlik).

At Earls Ian developed the entire financial and management accounting infrastructure and all internal and external reports for all restaurant operations and head offices. He was responsible for all cost / benefit and return on investment analysis for all new location, renovation, and head office investment decisions. Ian also developed the contribution margin, sales, and profit center reporting systems supporting the marketing and the operation teams. Prior to his tenure with Earls, Mr. Campbell was Senior Controller at Rogers Video and a business auditor with Revenue Canada.
